Rules as printed in the ASHA Official Handbook shall be used at all ASHA approved shows throughout the current year unless otherwise approved by ASHA.

EV-005 Special Notice and Effective Date

- A. Exhibitors, Judges and Show Management are responsible for knowledge of all ASHA Rules and Requirements and Regulations.

EV- 010 RELEASE OF LIABILITY

- A. ASHA and co-sponsoring organization, if any, will not be responsible for any accident that may occur to, or be caused by any horse participating in an ASHA approved event, or for any article of any kind or nature that may be lost or destroyed or in any way damaged. The ASHA will not be responsible for any financial arrangements not completed between event management, exhibitors, owners, or judges. However, these situations should be reported in their entirety to the ASHA for possible disciplinary action.
- B. Each event should obtain blanket liability insurance to cover suits, claims or judgments for bodily injury or property damage sustained by spectators, participants, or others arising out of the use of the show grounds or operation necessary or incidental to the event.

EV – 020 ASHA EVENT APPROVAL REQUIREMENTS

ASHA Event approval is a privilege, not a right, granted or rejected at ASHA discretion on an annual basis according to continuous evaluation of the applicant, including, but not limited to competence of event management, enforcement of ASHA rules; quality of event; and service to ASHA Members.

All events approved by the ASHA shall be named, advertised, listed and otherwise referred to as a Stock Horse Versatility Event and must state "ASHA Approved".

The rules and requirements set forth in the ASHA Official Handbook shall be used at all approved events including any non-ASHA point classes offered at that event, unless otherwise approved by the Executive Director of the ASHA. Failure to follow the ASHA rule book in conducting events may result in future approval of events being denied and/or possible disciplinary action. The Executive Committee will decide such cases.

Approval does not carry over from year to year and must be obtained for each individual event. The ASHA reserves the right to approve only the number of events per calendar year it deems appropriate for the same organization, management or area.

Organizations or individual members wishing to stage or sponsor ASHA Regular Events (clinic & competition) or Special Events (instructional shows, awareness clinics, team tournaments, collegiate events, etc.) must obtain approval for their event from ASHA. ASHA, in turn, will publicize the event prior to and after the event and the participation, evaluation and results will be approved for individual members and their horses and affiliate recognition.

EV – 025 ASHA EVENT APPLICATION REQUIREMENTS

Applicants desiring to hold an ASHA-approved event must obtain prior ASHA approval on an application form available from ASHA. If applicant desires the event to have ASHA sanction and publicity and, if show results are to be recorded by ASHA and points awarded to the horses and riders earning such.

- A. **Application:** To obtain approval, an ASHA Event Application Form must be obtained from the ASHA office and must be correctly and entirely completed. Application fees are non-refundable and must accompany the initial application. The fees are \$25 application fee for a Special Event (Team Tournaments, Exhibition Events, Awareness Clinics, Collegiate Events, One Division Events, Etc) and \$25 for a Clinic and Competition.

- B. **Postmark Date:** Event application form(s) must be postmarked at least ninety (90) days prior to the first date of the proposed event and must be accompanied by a non-refundable fee as per competition application. All ASHA approved event dates will be posted on the ASHA website and publication calendar of events.
- C. **Event Date and Location Approval.** Event applications are approved based upon the date of the week. AN ASHA approved event having been held the previous year is considered an established event and has priority to reserve identical days for the current year until terminated by ASHA. Priority dates are a privilege not a right, and therefore cannot be sold or transferred from one sponsoring body or management to another. In the event the previous sponsor does not obtain approval for the event date, then a regional or state association has first priority on the date. An event not approved or held the prior year is considered a new event. Additionally, an event which changes sponsoring body (the individual, organization or association financially responsible for holding the event) or the event name or changes location more than 250 miles is considered a new event without priority for days. Violations of this rule could result in disciplinary action.
- D. **Cancellation of Event Dates:** Sponsors of events who cancel their dates must notify the ASHA IMMEDIATELY so the dates can be made available to another sponsor
- E. **Time and Mileage between Event Dates:** Two events may not be approved on the same date if they are located within 250 miles of each other. The last sponsor of any individual show has the right to sponsor the show in the following year, provided their application is received. It is recommended that ASHA events not be held in the same 250 mile radius within two weeks of each other.
- F. **Time and Mileage Waiver:** If all affected event managements agree to waive the time and mileage rule, then, approval may be granted.
- G. **Failure To Pay Services:** The sponsor or sponsors of any ASHA approved event which fails to pay for any services rendered by a third party (i.e. judges fees, cattle fees, facilities or to pay premium money to exhibitors, etc.) in connection with the holding of an approved event will be denied ASHA approval for future events until all fees are paid.
- H. **Affiliate Circuit Approval:** For an affiliate circuit of ASHA Events to be approved, the Affiliate must complete an Affiliate Circuit Application with completed ASHA Event Approvals and Fees attached for each individual ASHA Event listed on circuit application. (This circuit application will be useful for affiliates approving ASHA events for their local affiliate end-of-year points). For individual Event approval and circuit approval to be completed, the circuit application must be submitted 90 days before the first event scheduled on the circuit.
- I. **ASHA Event Approval Notification:** Event officials will be notified by ASHA if their event is approved or what factor(s) need to be rectified so that the event may be approved.
