In 2012 CoWN Stock Horse, in partnership with American Stock Horse Association, is hosting and promoting a 4 and 5 year old Derby event. This event will showcase the abilities of the versatile four event horse at an early age. This event is open to 4 and 5 year old horses of all breeds. Horses will be shown in four classes including Pleasure, Reining, Trail and Working Cow Horse. The Champion will be the highest placing All-Around horse, showing in all four events. For more information, including eligibility and equipment rules, please refer to the Derby Rules at www.cownsh.com or www.americanstockhorse.org.

Nomination Fees and Procedures

- A nomination form with a nomination fee must be submitted for each horse. Nomination Fees are nonrefundable and the total amount will depend on the date the fee is submitted (see schedule).
- The nomination is linked to the horse and unaffected by sale of the horse or change of riders.
- Substitutions for a horse can only be made for death or injury which results in loss of use. A veterinarian certificate must be submitted with a fee of \$100. Substitution changes with fees must be made by the entry deadline of the Derby.
- Derby nomination fees will be over and above standard show fees which will be approximately \$150. After a horse is nominated and has paid for the derby, there will be an entry fee due at the derby to enter the horse in the show.

Nomination Schedule

- The earlier a horse is nominated, the lower the total nomination fee. For example, a horse nominated by July 1 will pay total nomination fees of \$250, while a horse nominated between September 2nd and October 15th will pay total nomination fees of \$400.

| Date Fee Paid | By July 1 st | By August 1 st | By September 1 st | By October 15 th |
|---------------|-------------------------|---------------------------|------------------------------|-----------------------------|
| Amount Due | \$250 | \$300 | \$350 | \$400 |

100% of all Derby Nomination Fees will be PAID BACK to Contestants.
