

AGED EVENT PROGRAM

April 20-22, 2023

Sweetwater, Texas

New Online Forms Available

The American Stock Horse Association developed an Aged Event Program consisting of 3 Divisions, with emphasis on competing in all 4 classes over 3 years. In April of 2018, this program was started at the ASHA National Show, with 4-year-old horses competing in the first Futurity. In 2019 and 2020, the first Futurity horses continued to the Derby and Maturity. In 2020, the horse with the highest composite score from all 3 aged events was crowned the first ASHA Triple Crown Aged Event Champion.

DIVISIONS

- 4-Year-Old Futurity
- 5-Year-Old Derby
- 6-Year-Old Maturity

CLASSES

- Stock Horse Pleasure
- Stock Horse Trail
- Stock Horse Reining
- Stock Horse Working Cow Horse

Continuing to drive the Mission of ASHA, the Aged Events Program is designed to promote versatility. This All-Around or versatile concept ensures longevity in the American Stock horse. With each year to follow, ASHA will continue to offer the Futurity, Derby, and Maturity to those eligible.

Each division will be considered a special event, to be held yearly at a time and place chosen by ASHA. Awards and added money will be offered in each division classes and All-Around. All-Around awards will be based on the one horse/one rider team showing in all 4 classes. The riders may change from year to year.

Payouts will follow the payback schedule as outlined in the ASHA Handbook. The event will be double judged with a single result. ASHA will track the cumulative score, by horse only, over the 3 years as the horse progresses through the 3 divisions.

4-YEAR-OLD FUTURITY RULES

This is an age specific event open to 4-year-old horses with a foal date in 2019. Horses are to be shown in all 4 classes. The Champion will be awarded to the highest placing horse in the All-Around.
